Georgia shrimper honored in Senate.

John Wallace, founder and president of the Wild Georgia Shrimp Association, is recognized for his work on behalf of the commercial shrimping industry in a resolution sponsored by Sen. Jeff Chapman, R-Brunswick.

Senate Resolution 932 honors Wallace for his years of service in the Georgia commercial shrimping industry and for helping preserve the industry in the face of tough global competition and rising fuel prices.

Wallace is captain of the "Gale Force" and "Wait 'n Sea". He also has served on several commissions and subcommittees of the Georgia Department of Natural Resources, the resolution notes.
